PSA: No Papa Tim's were harmed in the making of this story.

Once upon a time...

There was a little girl named Baba Jami Cinderella.

She had a step mother named Step Mother Papa Tim

Her step mother was very mean... She was very bossy.

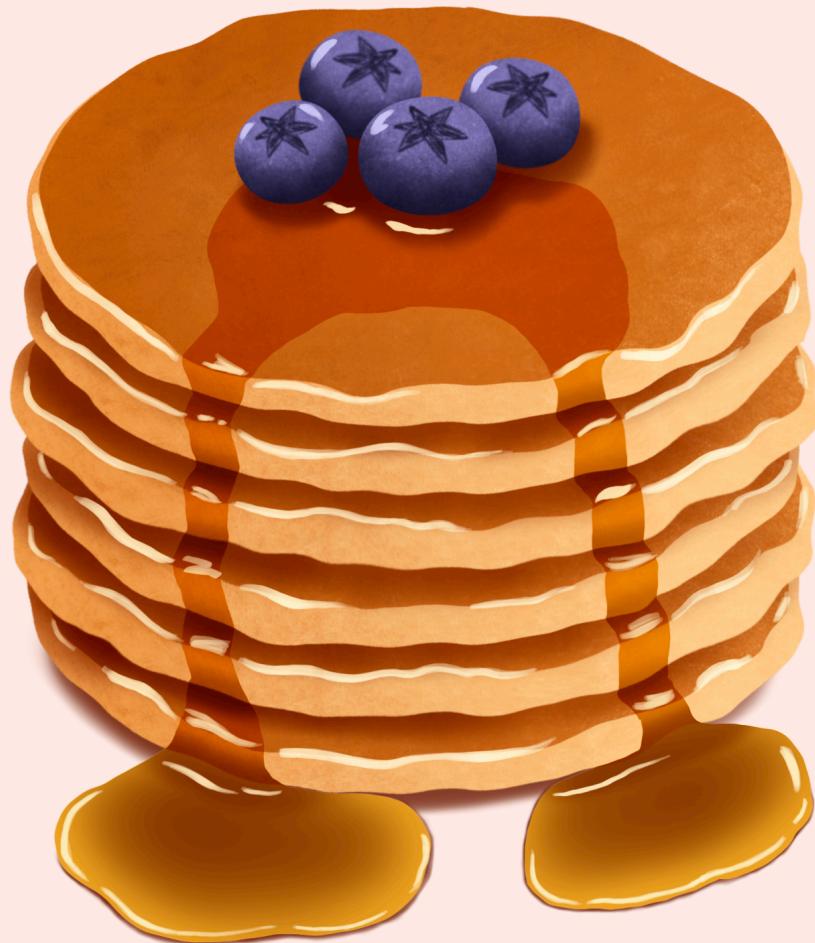

cinderella thought her step mother was very funny because she wore glasses.

And then the step mother became happy and laughed back because cinderella was laughing.

They decided to have breakfast. They had pancakes.

Baba Cinderella had syrup on her pancakes.

And Papa Step Mother had peanut butter on hers.

Then they decided to take a bath. After they were done taking a bath, they dried up and brushed their teeth with rainbow toothpaste.

After they were all clean, they went to the park. Papa Step Mother could not go on the slide but Baba Cinderella could. So she went on all the slides.

There was a blue one...

A Pink one...

A white one...

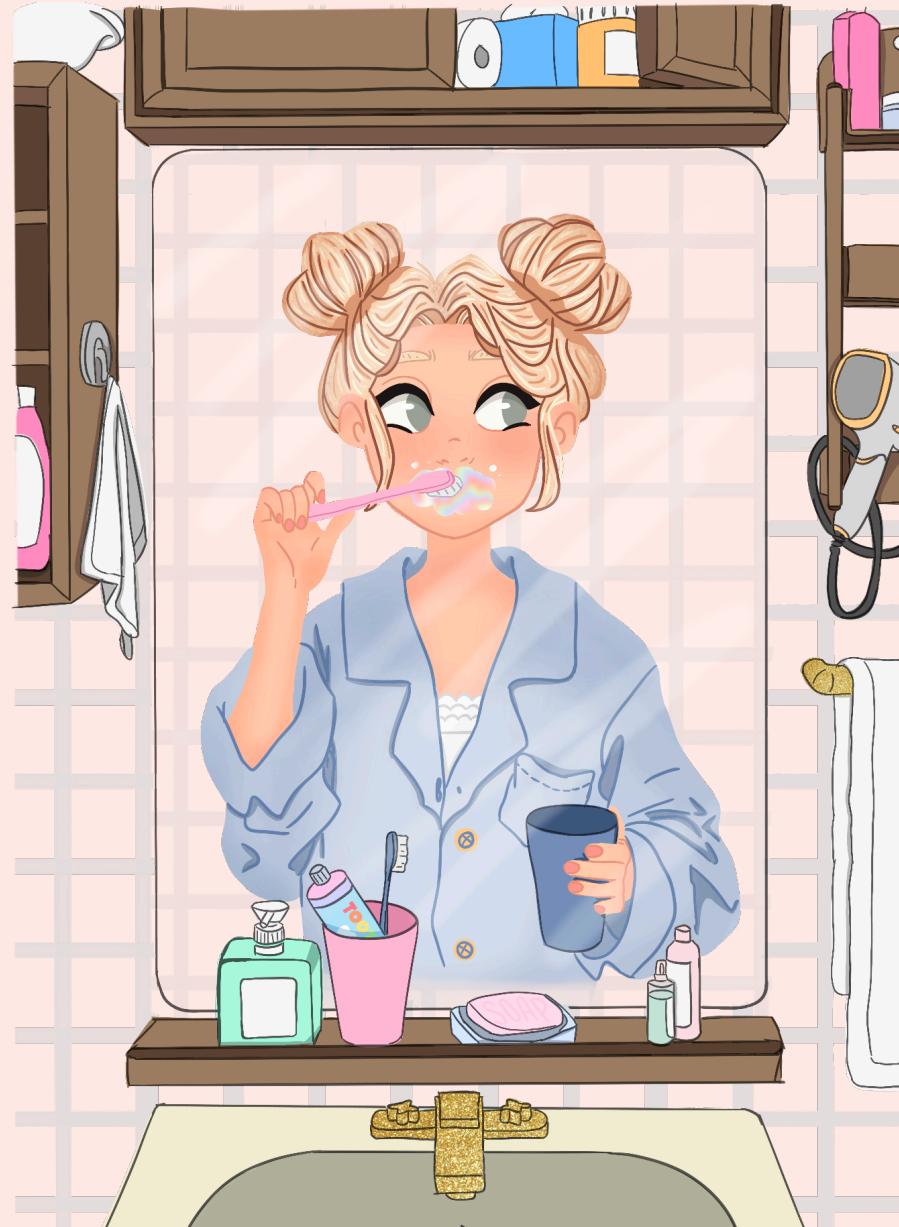

And a rainbow one.

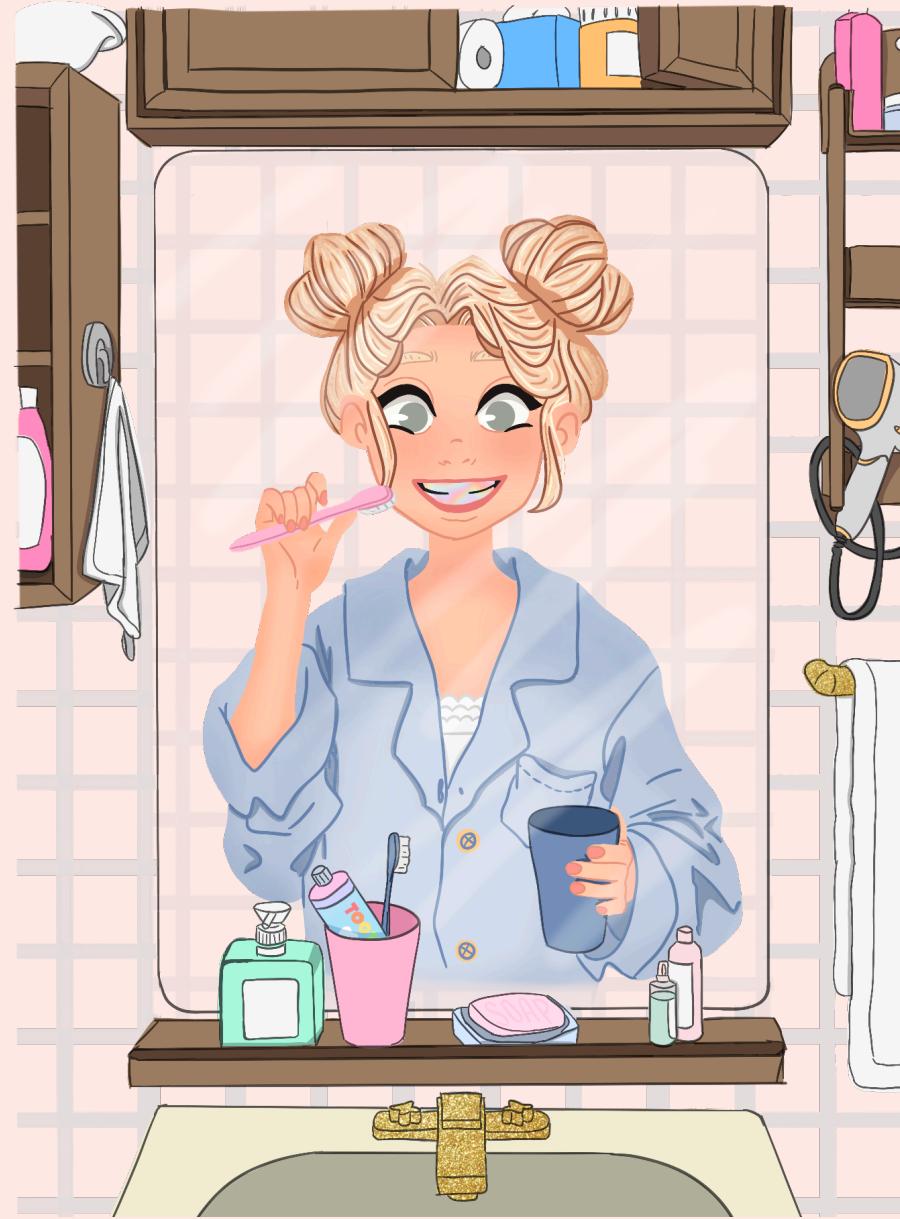

After Baba cinderella went on all the slides, they began to go home.

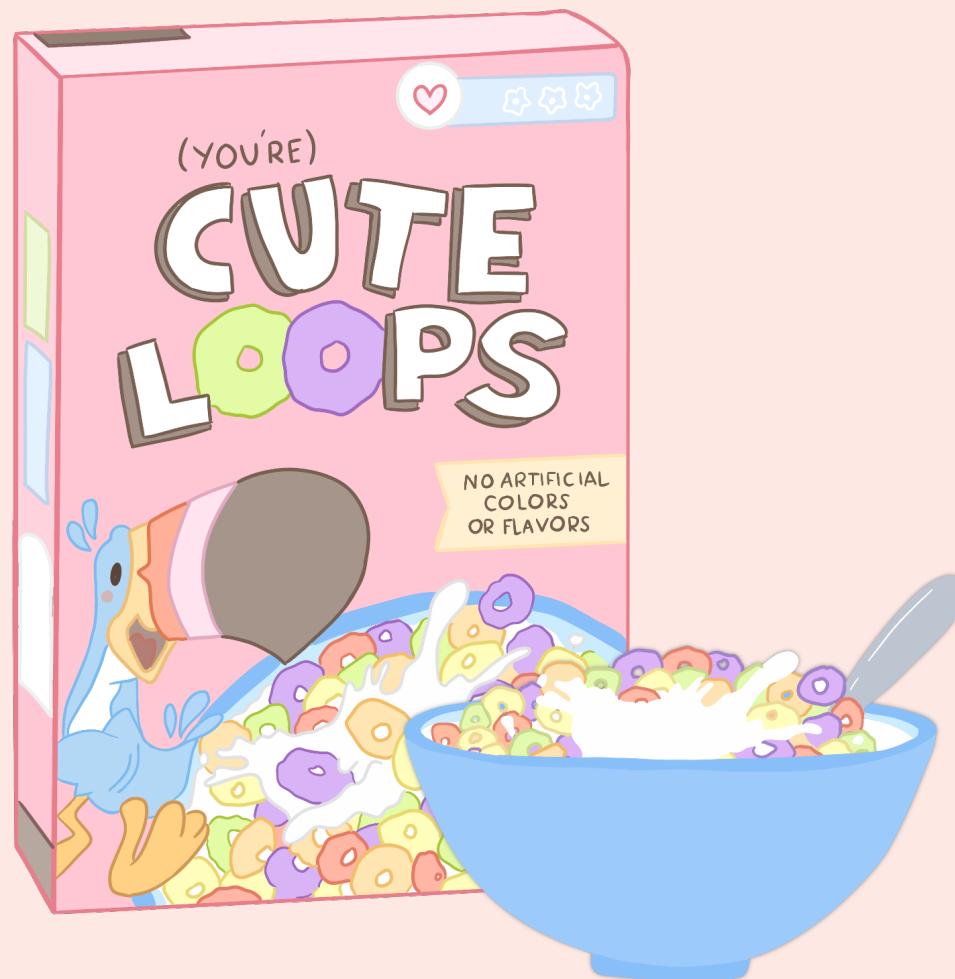

When they got home they decided to brush their teeth again!

They brushed their teeth so much that their teeth turned rainbow!

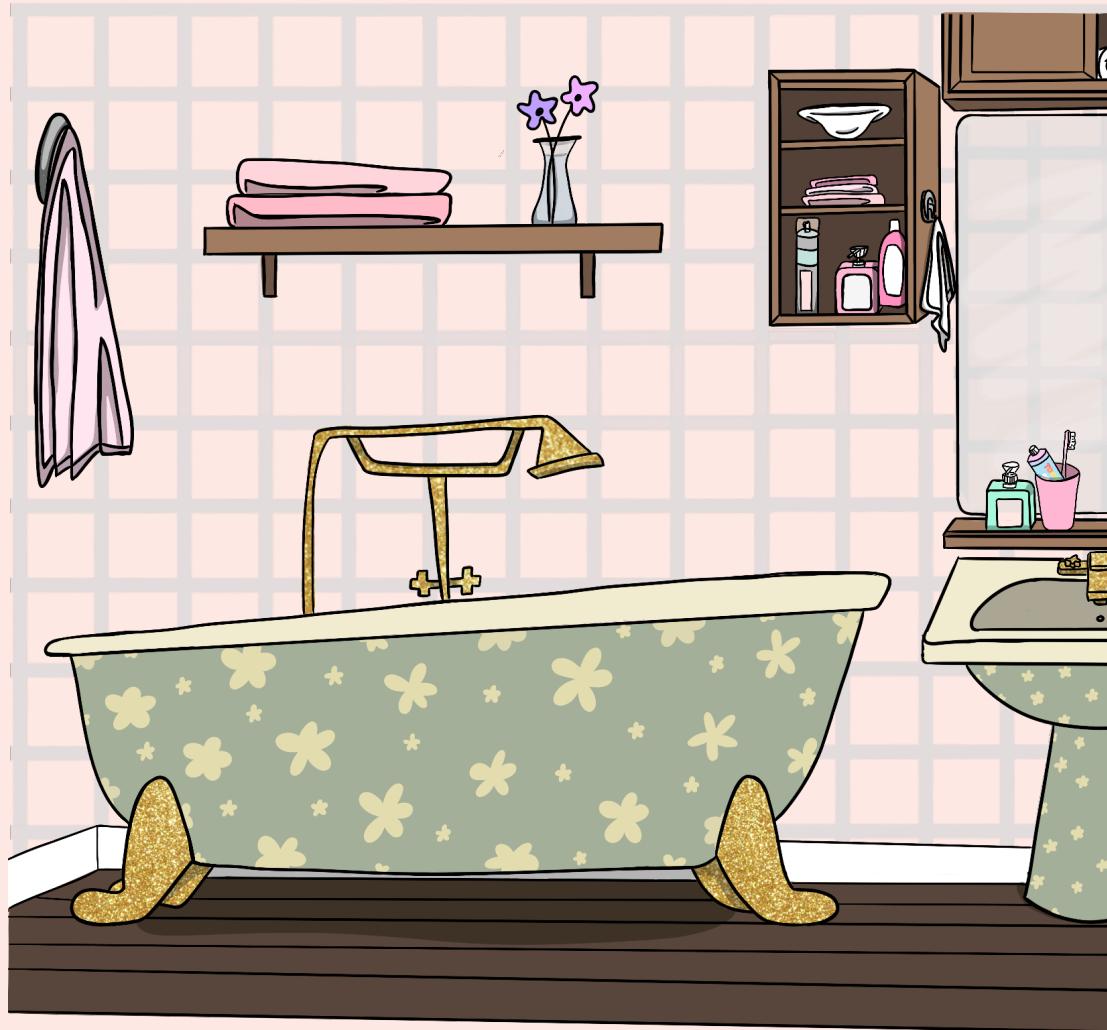

The next day they woke up and had cereal. It was rainbow cereal.

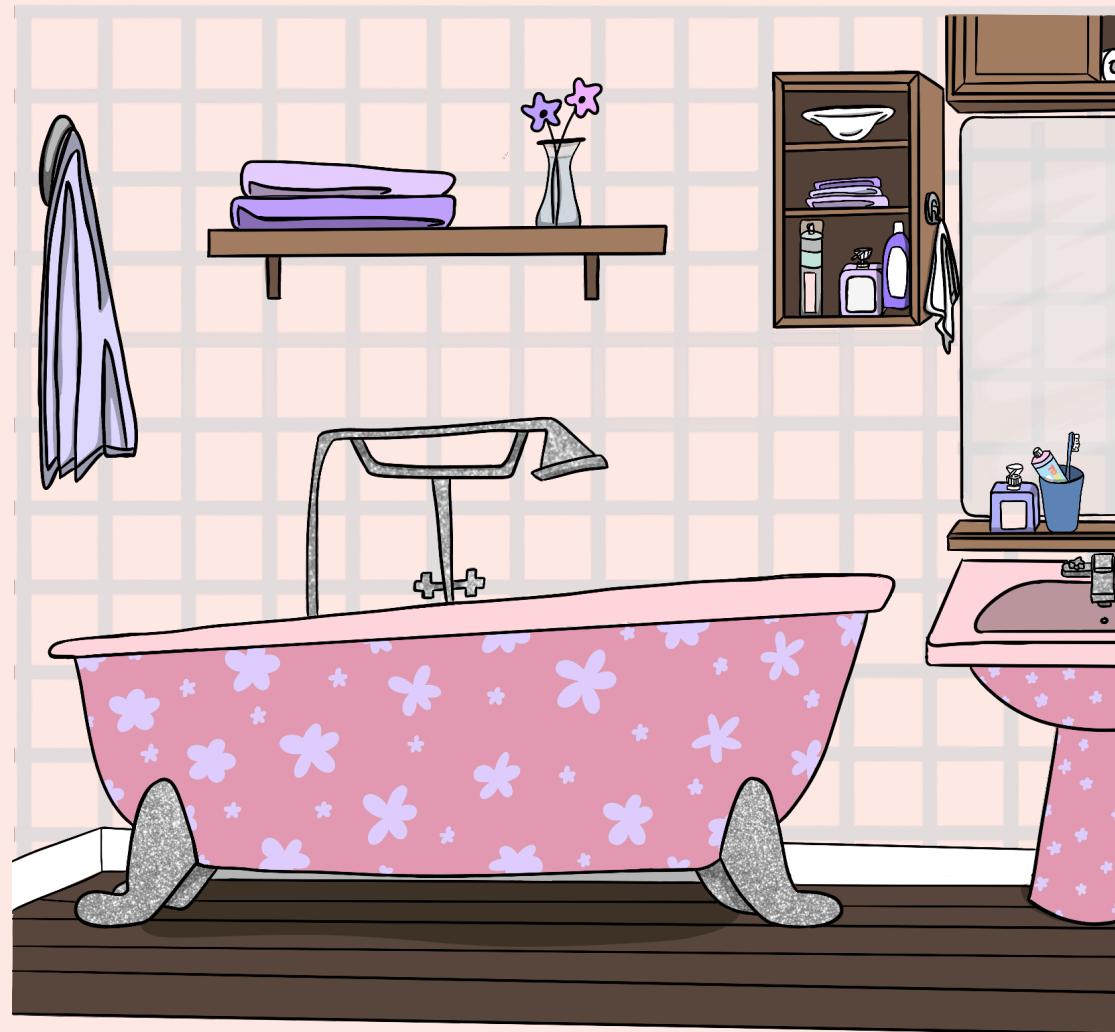

Then they realized something weird... The step mother and cinderella were allergic to the red! So they picked out all the red.

Then they took a shower. Cinderella took a shower in her own bathroom.

And Step Mother Papa Tim took a shower in the bathroom in her room.

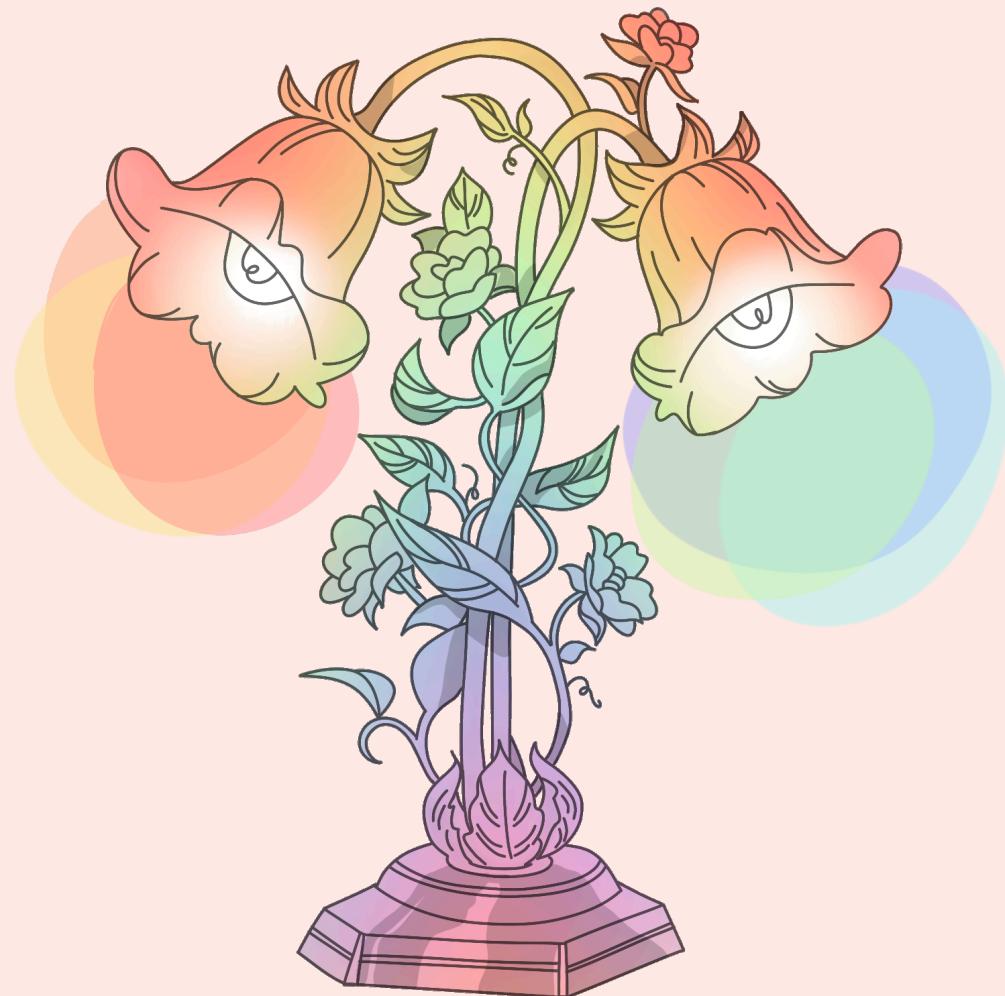

After their showers, they went to bed.

The next morning... Everything turned rainbow!
Even their cat, Lusa.

Then, the whole city turned rainbow! Even all their stuff! Like their lamps...

They couldn't stop the rainbows. Their eyes turned rainbow. Then the sky turned rainbow!

They went to Baba Cinderella's grandma's house to hang out. After a while, all the rainbow went away and everything went back to normal.

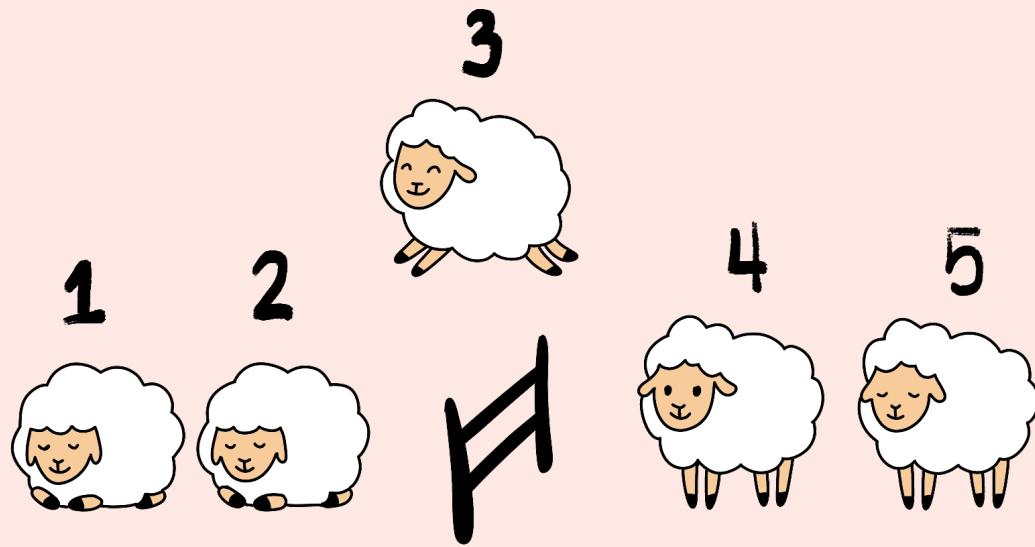

So, they went back home. But Cinderella didn't want to go back home. When they got home Step Mother Papa Tim played music and sang.

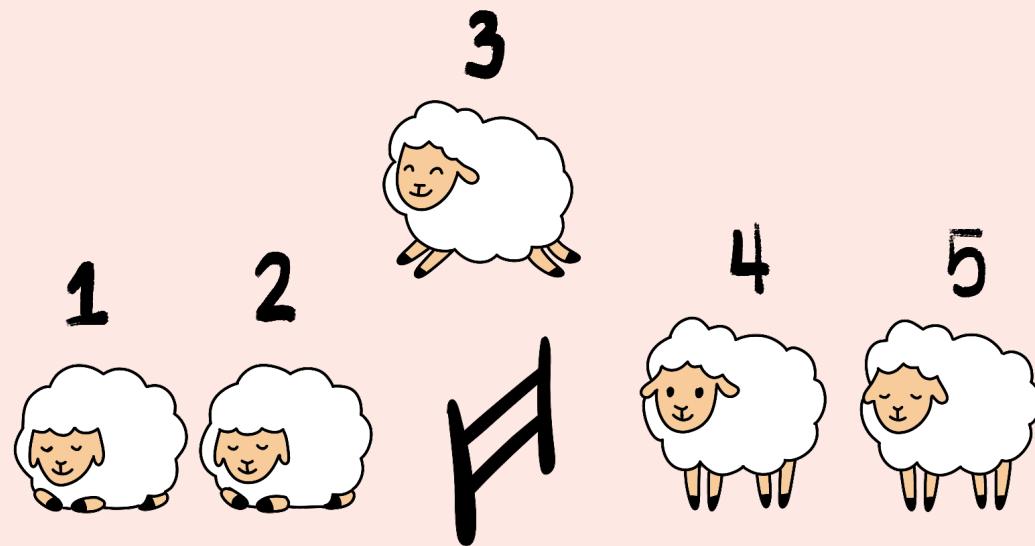

Then they began to imagine Jesus at bed time. Then, they read a book. But they didn't pray because Papa Step Mother didn't know how.

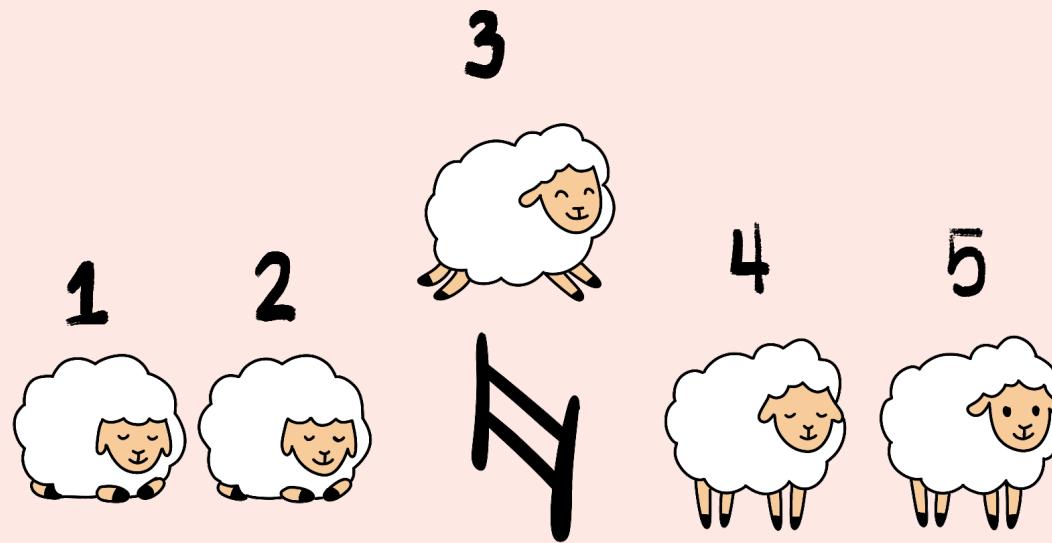

So Baba Cinderella went to bed by counting sheep.

When Papa Step Mother couldn't go to sleep she decided to count sheep too.

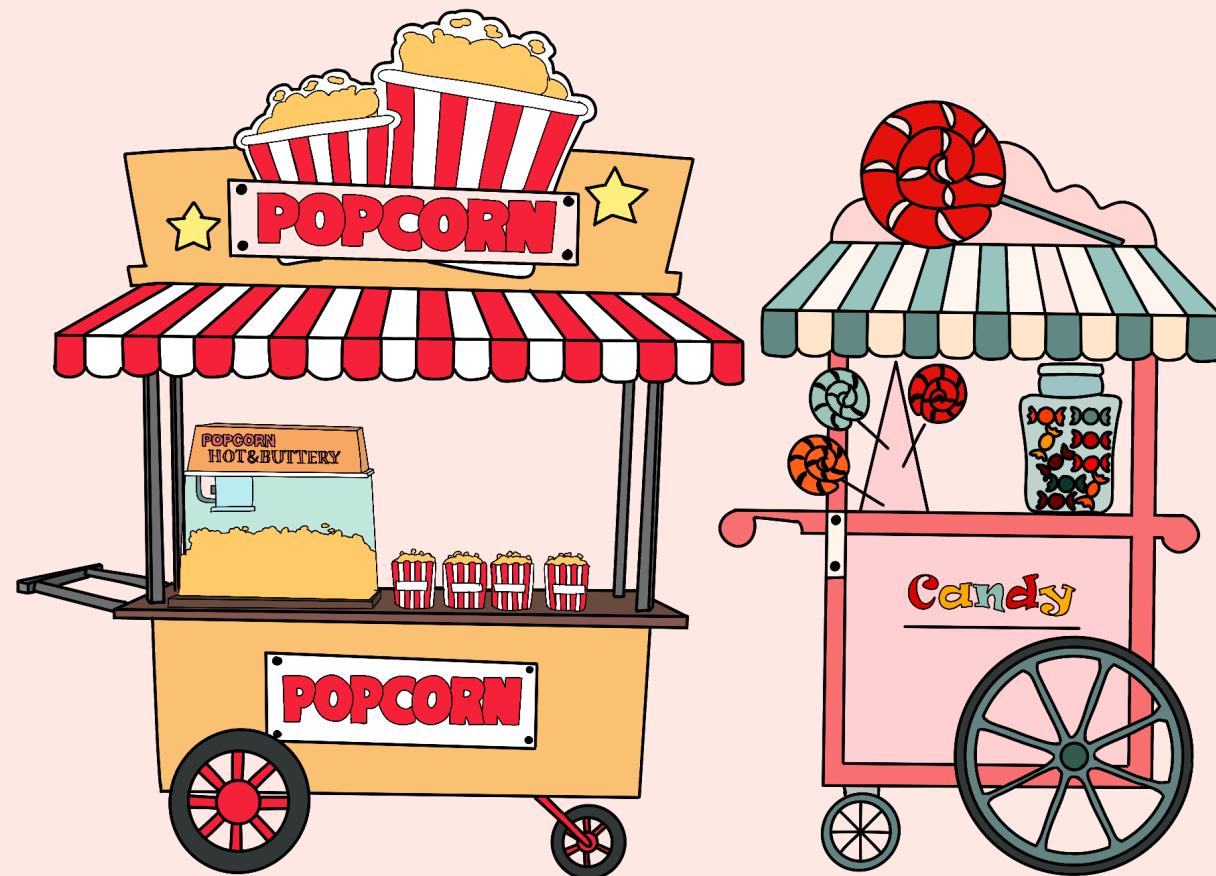

The next morning they counted sheep to wake up again.

When they woke up, they brushed their teeth with normal blue toothpaste and then they went to the market.

At the market they bought candy and popcorn for the cupboard and all kinds of food for the fridge.

Then they watched a movie and ate popcorn and lived happily ever after...

The End.

We love you so much! We hope this story was as enjoyable to read as it was for Raelynn to write and me to draw! Ps. Dad, please never dress up as an evil step mother.
